A Few Rules and Reminders for our Residents.....

The Highland 55 team would like to thank each of you for your understanding and patience during the construction phase of our awesome community. The fitness center is very close to completion as well as our cottages. It has been a pleasure seeing our community pulling together to make H55 a special place to live.

We love seeing you at the clubhouse while playing pool, enjoying Thirsty Thursday's, attending Bible Study & Book Club, coming in for a cold drink after a walk, as well as the parties, coffee chats and just hanging out.

The clubhouse will be open to H55 residents from 7:00 a.m. until 9:00 P.M. using the access code 5500# to enter the north door. Understandably, we are trusting each of you to keep this code secret and not share it with anyone outside our community, for everyone's safety. All other doors require a key, so thank you in advance for using **ONLY** the north door when the business offices are closed.

Please talk to us if you would like to reserve the clubhouse for any private event. At the time of your reservation we will go over a few items to ensure a fun and safe event for you and your guests. We understand that all appliances are different so we are happy to go over appliance use, food heat up, furniture placement, and clean-up of the clubhouse.

It is **VERY** important that you are required to be present during your reserved event. We want it to be fun and memorable and your presence will make sure it goes smoothly. If the clubhouse is reserved during business hours the office will be open to our residents.

Thank you to everyone for following our no smoking policy. It is a breath of fresh air for all of us! Just a reminder that if you have a guest who would like to smoke, they must be at least 20 feet from any shared H55 areas, and 10 feet from any of the H55 cottages.

The clubhouse patios are pet friendly. We are happy to step outside and give your pet a treat. Just let us know.

We really do feel like we have the **BEST** neighbors at H55!! It is because of each of you!

Thank you...

Sheri and Cathy

JUNE 2021 Calendar

Fitness Center Update....

The exterior of the Highland 55 Fitness Center is complete! We have ordered all equipment for the work-out room and it should be delivered in approximately 4 weeks. We plan to start a sign up sheet for the different workout machines so that ALL residents are able to use the equipment at a reserved time. Sheri and Cathy will let you know when we start the sign up process.

We are hoping to begin strengthening, yoga and Thai Chi lessons in July. Using Covid protocols for work out facilities our residents need to bring and use your own yoga mat, water bottle & towel. Mats are easy to find online, or even at TJ Maxx, Wal Mart or Target.

Pickleball Lessons....

We are very proud to be the only 55+ community in Oklahoma to have our own indoor pickleball court! We hope you will come to our hosted pickleball lessons!
