The Newsletter of Highland 55 at Spring Creek in Edmond, OK

Great News at Highland 55 and Welcome to all our new neighbors!!

We are so happy you have joined our beautiful and fun community. Let us meet and welcome you. Please join us for our happy hour/meet and greet every Thursday at 4:00pm in your beautiful clubhouse. Stop by and see Cathy or Sheri for a list of all H55 events & activities. We are in the process of adding new classes and events this month!

We are very excited to announce that all cottages have been leased! We will be preparing a new Highland 55 directory for everyone soon. Please stop by or email the office with any updated information.

NEED MAINTENANCE FROM ROD??

We are kindly asking each of you that are needing Rod's help to please call the office or go through H55 portal for ALL maintenance requests. Work orders are worked in the order they are received (unless emergency or time sensitive). It is very important they are reported in the proper manner. It is also hard for Rod to remember any verbal request while out on property. He feels bad if he forgets a verbal request. Also, Rod is required to have written documentation to serve as our record that your request has been addressed. As always, Team H55 is here to help. Thank you, Sheri and Cathy

Please double check your pet gates...

Our weekly mowing will now be occurring on Tuesdays. For pet owners **please be aware** the pet fences will be open throughout the day to let the mowers, weed eaters and blowers make their way through the property. The gates will be resecured once all rotations have been completed. Although it is the responsibility of the lawn company to secure all gates it would be a good idea to double check your gate latches at the end of the day every Tuesday just as a safety precaution for our beloved furry friends. ***Additionally, to ALL residents** please make sure your yards are free of water hoses lying on the ground or any other items that may be in the way and impede the yard work or possibly get damaged. **We appreciate your cooperation!**

Puzzles Anyone?

Have an hour to spare? Come show off your jigsaw puzzle skills while improving cognition and visual-spatial reasoning. The act of putting pieces of a puzzle together requires concentration and improves short-term memory and problem solving.

Each month H55 will have a new and challenging puzzle to put together. Come by and help be a part of the solution!

*The \$25 Community Assessment Fee will begin on August 1st. Every resident will need to add this fee to your rent every month. Thank you!!
